

GRACEBOARD DIRECTIONS AND EXAMPLES

Use the Pocket GRACE Keeper (see below) to keep score of God's **grace** and His **mercy** in your BattleZONES by clicking the appropriate button. You click the **Team Grace** button when you are tempted to sin in your BattleZONE and choose to exercise your faith that God will meet all your needs, giving the Burgundy Team one point. By doing this, you execute God's will in the power of the Holy Spirit by resisting the temptation to sin, experiencing God's grace. Click the **Team Mercy** button when you are tempted to sin in your BattleZONE and you choose to meet your own needs giving in to temptation by sinning against the Holy Spirit, AND immediately humbly confess your sin to God and receive His Mercy – the Gold Team scores one point. REMEMBER CHRIST'S BLOOD HAS ALREADY COVERED YOU. At the end of your game day, calculate your eXecution percentage (X%) by taking your total **TEAM Grace** and dividing it by your total **Team Grace** and **Team Mercy** score, $\{TG \div (TG + TM) = X\%$. Next, at the end of the day, transfer your scores from the Pocket Grace Keeper to the appropriate column on the GRACE Board for 7-14 consecutive days. Make an "x" in the shield when you put on your "equipment" – the Armor of God at the start of each game day. Put an "x" in the shield called "Spiritual Training" to chart your training and preparation efforts for each game. See examples below.

TEAM GRACE While in Your BattleZONE / Experience God's Grace / Yield to Spirit by faith / Execute God's will

TEAM MERCY While in Your BattleZONE / Sin by choosing self / Immediate confession / Accept God's Mercy

Remember, the key to victory (holiness) is execution (obedience), so record a score only when you are in your BattleZONES and are tempted to sin. Use the C3-Technique each time you are tempted. When you do sin, be sure to make "adjustments" according to God's Word by immediately confessing your sin to God and asking Him for forgiveness. The longer you leave unconfessed sin in your heart, the greater chance your opponent has to defeat you and you may receive God's chastisement. Be honest: you are always in the game.
