

3. WEEK 4 PLAYS

For Week 4, you were assigned to read and be ready to comment on this week’s Plays. You will have **TEN MINUTES** to present your topic; then discuss each as a group. Please try to stay focused on what God taught you through this Play. What did God want you to learn and do? **Again, be a facilitator not a teacher who hogs the conversation.**

CAPTAIN, ASSIGN EACH TEAMMATE A PLAY – THEN LET THEM TAKE THE LEAD.

Remember to coach them as they “teach” the “plays” to their teammates.

- **Play 1: Jesus Took the Hits**
- **Play 2: The Rule Book Still Applies**
- **Play 3: Salvation = Obedience = Holiness**
- **Play 4: Twelve Tests on Assurance**

4. TRUE SALVATION

How do we know if we have true assurance of salvation? Scripture makes it abundantly clear that true salvation is eternally secure. However, if you look at your life and see nothing but compromise and corruption, don’t be surprised if you don’t have any sense of security.

Look up the following Scriptures when you can:

- John 5:24; John 3:16, 18; John 6:37-40; John 17:11, 15; John 10:27-29; I Peter 1:3-5; I John 2:1-2.

5. PAIN POINT

Have each teammate share their pain point, the BattleZONE linked to that point and the transformational goal they have set. Have the men turn back to pages 34 – 35 in Week 1. Here are some examples. After looking at the examples, write your teammates down.

Pain Point	BattleZONE	Transformational Goal
<i>Image/self-esteem</i>	<i>Critical spirit</i>	<i>Less focus on faults of others</i>
<i>Fear of not being enough</i>	<i>Image control</i>	<i>Free of pressure to control image</i>
<i>Painful past -divorce</i>	<i>Anger/Verbal Abuse</i>	<i>Live with kindness and gentleness</i>
<i>Broken relationships father wound</i>	<i>Pornography</i>	<i>Healing from father wound</i>
