

BATTLE ZONE MINISTRIES, INC.

CONFIDENTIALITY AGREEMENT AND COMMITMENT TO HOLINESS

I accept the BattleZONE challenge to strive for spiritual fitness and experience holiness. I commit to make all training sessions, read all required materials and fill out the Independent Practice materials. I will actively participate in discussions and commit to be the best Teammate/Captain (TC) possible. I choose, with God's help, to have a coachable spirit.

- I will keep all of the information shared at training sessions confidential and will not speak about any part of my teammates' BattleZONES to anyone, not even my spouse.
- I will show up on time and be the best possible team player I can.
- I agree to confess any sin in my life and "come clean" so God can transform me into a spiritually fit warrior for Christ.
- I agree to ask one man to be my encourager and hold me accountable to God's Word.
- I give the team Captain permission to check in with me and encourage my walk with God.
