

Discipleship  
James 1:22

Rev. Larry Arce, C.E.O.  
Fresno Rescue Mission

“The book BattleZONE is centered on Christ and that’s where it needs to be. All of the curriculum is based on the Bible. It’s there to help you, to encourage you, to change your life for the better. I recommend this to any organization.”

“The men who have gone through BattleZONE since we have been doing this the last few years have a higher success rate of not only completing the program—but going on with their lives and not only staying clean and sober—but going on to live positive lives once they leave here—so the proof is in the outcome and the results.”

## Here Is what the participant's said about BattleZONE

**"From where I was at to where I am now I am a completely different person. And I can't even begin to explain in the short 11 weeks what BattleZONE has done for me. The difference is tremendous." -Justin**

**"I came into BattleZONE an angry person - a very angry person. A confused person. I actually used to beat the heavy bag outside until my fists were bloody every day. I have not touched that thing since BattleZONE. It's been the biggest burden lifted off of my shoulders to know that I am loved. I'm cared about." -Erin**

**"My whole life I grew up a nobody. I was told that I was a nobody. I didn't have no parents to tell me that I was somebody. And through BattleZONE I discovered that I am loved! I am loved by the greatest Father that could ever love a son and that is Jesus Christ!**

**BattleZONE was this tool - like a tool bag that helps me use the tools that's in the ultimate tool bag which is the Bible!  
A lot of people can't get into the Bible and know how to use it. But BattleZONE helps you—it breaks it all down for you to use and that's what I liked about it - you gotta break it down for me so I know." -Austin**
