

# BATTLEZONE VICTORIES

**Gregory Bradford**

Turlock, CA

I have been in the church since I was 13 years old. By the time I had turned 16, I had given my life to Christ. Over the last 32 years, I have served as a teacher, leader, deacon, assistant pastor (and a pew sitter!) During these years, like all men, there have been times of victory and defeat when faced with the temptation. How can a Christian man live a consistent victorious life over sin?

Thankfully, I was introduced to BattleZONE Ministries while attending a men's ministry conference. After going through BattleZONE and using the tools it provides, I am convinced that a man can live that consistent victorious life. The Battlezone strategy creates a training ground to build up Christian men who will one day go out and disciple other men.

It is impossible to sit on the fence after experiencing the BattleZONE Training Course. Have you given your life to Jesus Christ? Are you living a the holy life which God expects? I urge you to enter the BattleZONE – you will never be the same.

Thank you BattleZONE.
